A: Head office: 34 Floor, Unit# 1, Huarun Plaza, Rizhao City 276800, Shandong PR, China.

Factory: NO. 39, Shanghai Road, Rizhao City 276800, Shandong PR, China.

Introduction

Shandong Well Pack Industry Co.,Ltd was established in 2018 year which located at China glass town-Shandong Province .From our warehouse to Qingdao port only 2 hours .

Our bottle used for vodka ,whisky,rum ,gin, Champagne,beer,water ,juice, milk,olive oil,sauce/glass jar used for jam , sauce,nuts and fruits / cosmetic glass used for perfume,essence, lotion,nails,cream,hair care , car perfume , oil,diffuser and so on .

Our factory are ISO:9001 ,GB/T 19001-2016,SGS,TUV ,FSSC22000 certificated .

We supply extra flint ,high flint ,regular flint,cobalt blue,amber and green glass for difference bottle and jar ,our factory own Germany made printing equipments able to make decorate like coating ,printing ,frosting , and hot stamping .

Well Pack offered bottle will suit for safe consumer use , suit for customer filling lines , safe performance during handling ,storage ,shipping and marketing through customer's distribution network ,all our package material comply with environmental policy .

Well Pack cosmetic glass bottle quality utilizes a selected batch material with the lowest level iron and less than 10% cullet to obtain "Crystal clear" glass . In addition,the feeder and mold equipment is polished to reduce marks . There is a tighter inspection level or Premium sort to select the highest grade of glass based on visual nonconformances and glass clarity .

All glass Well Pack supplied to customer will have total heavy metal composition(sum of lead,cadmium,mercury and hexavalent chromium) less than or equal to 100ppm by weight .

All our materials used to produce our packaging components such as batch materials,glass colorants ,materials for external coating and internal treatment meet the standards set out by Coneg,Prop 65,EEC and FDA .

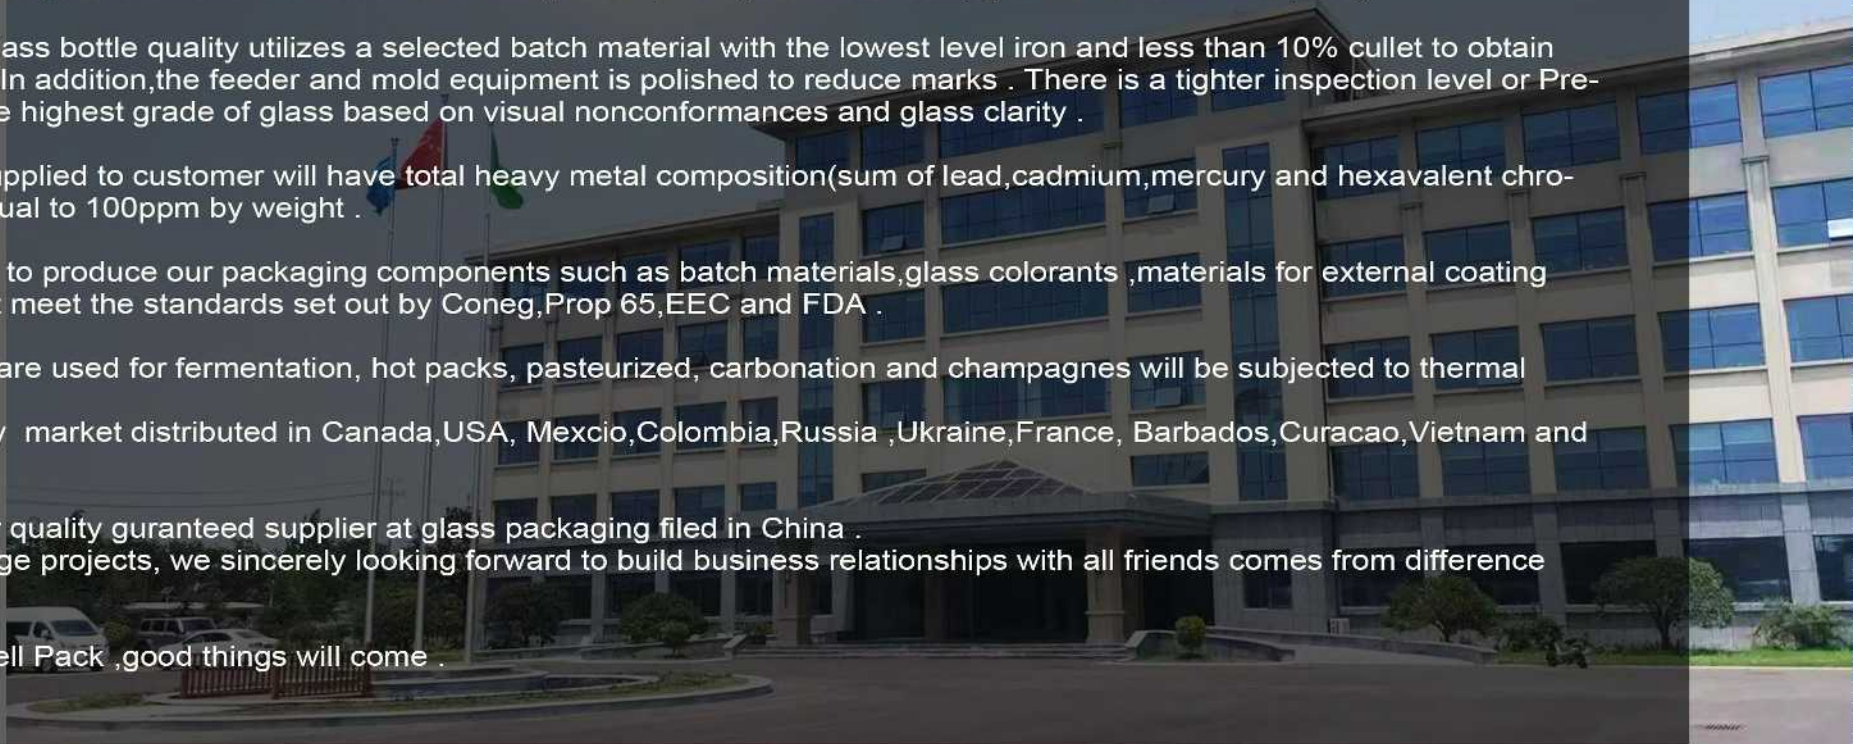

All our offered glassware used for fermentation, hot packs, pasteurized, carbonation and champagnes will be subjected to thermal shock.

Now Well Pack mainly market distributed in Canada,USA, Mexcio,Colombia,Russia ,Ukraine,France, Barbados,Curacao,Vietnam and so on .

Well Pack will be your quality guranteed supplier at glass packaging filed in China .

No matter small or large projects, we sincerely looking forward to build business relationships with all friends comes from difference countries.

Save time ,choose Well Pack ,good things will come .
